[Lauryn]

Went from a dream to the young supreme

[Destiny's Child]

Hey, yeah

Searching for a destiny that's mine

There's another place, another time

Touching many hearts along the way, yeah

Hoping that I'll never have to say

Illusion

[Lauryn]

1 - Boy, I love you but I gotta let you go

[Destiny's Child]

Everyday in my mind is confusion

Thoughts of you bring illusions

Trapped in the moment, only you get in

My mind's playing tricks on me again

Days in my mind is confusion

Thoughts of you bring illusions

Trapped in the moment, only you get in

My mind's playing tricks on me again

Follow your emotions everywhere

Is there really magic in the air?

Never let your feeling get you down

Open up your eyes and look around

Illusion

Repeat 1

Can it be a picture in my mind?

Never sure exactly what I'll find

Only in my dreams I'll turn you on

Here for just a moment then you're gone

Illusion

Repeat 1

[Pras]

Yeah, yo, yo, yo, hey, yo  
I don't write love songs, leave it up to Luther Vandross  
How I choose to live, you don't wanna know the cost  
I paid to be the boss, hear it straight from the source  
Fortune 500 is how I like to gloss  
High side, Korneesh Style, joy ride  
Blowin' candles in the wind like Princess Di  
Get at me, mom, tell me how you really like it  
Cuz we could fly high, I'll be your co-pilot

[Lauryn]

Hey, yo back to the girl with all the razzamatazz  
(Hey, yo, I love you shorty)  
You talkin' all that jazz

Boy, I love you but I gotta let you go  
I know you want me but you play me like the Lotto  
Use and abusin' so there won't be no friction  
I gotta leave, I can't be in this illusion

[Destiny's Child]

Oh, oh  
It's just an illusion

Repeat 1

[Wyclef]

Another one from Wyclef  
Another one from Jerry "Wonder"  
Another one from Thirty Cash  
Dance I say, dance I say, ha ha  
(Confusion)  
Refugee Camp  
(Illusion, you get in)  
Destiny Child  
(Me again)  
We out

[Destiny's Child]

Days in my mind is confusion  
Thoughts of you bring illusions  
Trapped in a world, only you get in  
My mind's playing tricks on me again
