"ALL THROUGH THE DAY"

I sit alone in the golden daylight,

But all I see is a silver sky;

For in my fancy I sweep away light,

And keep my image of the sky,

Just the way we like it, you and I.

(refrain)

All through the day I dearm about the night,

I dream about the night, Here with you.

All throught the day I wish away the time,

Until the time when I'm here with you.

Down falls the sun, I run to meet you,

The evening mist melts away;

Down smiles the moon, And soon your lips recall

The kiss I dreamed of all through the day
