Note: ( ) designates Como and the chorus,

[ ] designates the chorus alone

Dream on

Little dreamer dream on

(Dream on

Little dreamer dream on)

I get a heart full of butterflies

Looking into your dreamy eyes

Dream on

[Dream on]

Little dreamer dream on

Dream on

Little dreamer dream on

(Dream on

Little dreamer dream on)

Dream about a love so true

Dream about how I love you

Dream on

[Dream on]

Little dreamer dream on

(You know I love you)

I love you and I need you so bad

(Each night I realize)

When you close your dreamy eyes

Dream on

Little dreamer dream on

(Dream on

Little dreamer dream on)

Dream about a love so fine

Sweet as apple berry wine

Dream on

[Dream on]

Little dreamer dream on

Little dreamer dream on
