If they made me a king I'd be but a slave to you

If I had everything I'd still be a slave to you

If I ruled the night, stars and moon so bright

Still I'd turn for light to you

If the world to me bowed yet humbly I'd flee to you

If my friends were a crowd I'd turn in my need to you

If I ruled the earth what would life be worth

If I hadn't the right to you

If I ruled the night, stars and moon so bright

Still I'd turn for light to you

If the world to me bowed yet humbly I'd flee to you

If my friends were a crowd I'd turn in my need to you

If I ruled the earth what would life be worth

If I hadn't the right to you
