Visit "[Its Impossible](#)" on MotoLyrics.com

It's impossible, tell the sun to leave the sky, it's just
impossible

It's impossible, ask a baby not to cry, it's just
impossible

Can I hold you closer to me and not feel you goin'
through me

But the second that I never think of you, oh how
impossible

Can the ocean keep from rushin' to the shore, it's just
impossible

If I had you, could I ever want for more, it's just
impossible

And tomorrow, shouldya ask me for the world,
somehow I'd get it

I would sell my very soul and not regret it

For to live without your love is just impossible

Repeat second verse

Impossible, immmmmm-impossible
