You came, I was alone

I should have known

You were temptation

You smiled, luring me on

My heart was gone

And you were temptation

It would be thrilling if you were willing

And, if it can never be, pity me

For you were born to be kissed

I can't resist, you are temptation, I

Am yours, here is my heart

Take it and say that we'll never part

I'm just a slave, only a slave

To you, temptation

I'm your slave
