Till the end of time, long as stars are in the blue

Long as there's a Spring of birds to sing I'll go on  
loving you

Till the end of time, long as roses bloom in May

My love for you will grow deeper with every passing  
day

Till the wells run dry and each mountain disappears

I'll be there for you to care for you through laughter  
and through tears

So take my heart in sweet surrender and tenderly say  
that I'm

The one you love and live for till the end of time

Till the wells run dry and each mountain disappears

I'll be there for you to care for you through laughter  
and through tears

So take my heart in sweet surrender and tenderly say  
that I'm

The one you love and live for till the end of time
