Jealous one hate me cause I'm (makin' it)  
You dudes comin' soft but Comp is makin' it (Harder)  
I was destined to shine to get where I'm at  
With the help of my fall, but when I push he pushed  
(Harder)  
Even thou I'm on top now I'm (makin' it)  
I'm still quick to off stop makin' it (Harder)  
Seperate yourself from controversy  
You can learn from Sean Carter, R. Kelly made it  
(Harder)  
You never did drugs till you started (makin' it)  
Your high on your own supply you makin' it (Harder)  
This is textbook and Comp is the author  
I can show you an easy way when things get (Harder)  
You got a deal but still not (makin' it)  
Label shelfed your project makin' it (Harder)  
You feel what's in you, clean your soul at the alter  
But devilous thoughts always make it (Harder)  
I'm fakin', I'm shakin', I'm bakin', I'm (makin' it)  
I'm ten steps ahead of you makin' it (Harder)

(Harder)  
Writin' the rhymes the music I was (makin' it)  
My first cd got outdated makin' it (Harder)  
Some didn't want to happen  
Me going far with rappin' now I'm laughin' (Harder)  
Pocket full of dead guys I don't even know  
I secure my family life with the flow  
I embarked on tons of cash (makin' it)  
Which made everybody hate me on the aft (makin' it  
Harder)  
It's so sad to see the ones you used to chill with  
And now they want to kill shit and you talk it  
And your the youngest Def Jam artist

Rap style flawless, I'm goin' to eat regardless  
(Harder)  
They talk sideways com. your comments  
I earned my respect so you pay my homage  
Love or leave it, like it or not (makin' it)  
I narrate for the hood I can write up a block (makin' it  
Harder)  
So watch and learn, wait your turn  
The game is too hard and you ain't half as firm  
It's fucked up how things really yaw  
Just when a nigga gets hard, somehow we get (Harder)
