I don't want to leave her now

You know I believe and how

Somewhere in her smile she knows

That I dont need no other lover

Something in her style that shows me

I don't want to leave her now

You know I believe and how

You're asking me will my love grow

I don't know, I don't know

You stick around now it may show

I don't know, I don't know

Something in the way she knows

And all I have to do is think of her

Something in the things she shows me

I don't want to leave her now

You know I believe and how
