Verse 1-

It's like a medication... for my soul. I like to kick back
and just relax with a monster in.

Pre-Chorus-

I like the feeling. It's burning. I like the feeling cuz I'm
turning. Now where's a bottle. I need to use one. Now
could pass one. I'd appreciate it.

Chorus-

Now that your feeling is loud. Don't forsake me now.
Take a pinch of me now.....

Verse 2-

All my problems... seem to drift away. I know that one
day I will quit, but for now I'm just okay....

Pre-Chorus

Chorus

Pinch of me now....pinch of me now... pinch of me....now

Pre-Chorus
