(Verse 1)

Too late to see if he's around
Too late to move don't make a sound
I can hear his footsteps on the stairs
So hold on, So hold on
Now I know that he's inside of the room
Now I'm scared and I don't know what to do
Please god can you help me out on this
Please help me, please help me

(pre-chorus)

I'm shaking
No faking
This Fear inside is taking
Over me
Hear my plea
Don't wanna die tonight
I'm hiding
Almost crying
I can hear his tapping and his sighing
I can see his antipathy dont understand why me

(chorus)

I don't know, where he goes
I'm too scared to open the door, open the door
I don't know, where he goes
I'm too scared to open the door, open the door

(verse 2)

I can see his face and it's very ill
I can sense that he's only out to kill
His determination's scaring me
Scaring me, Scarin' me
There's no sound in the room now oh my god
Take a peak out the door and he's not even there
So I'm contemplating on what to do
What to do, what to do

(pre-chorus)

(chorus)

(Interlude)

Welcome wagon
Welcome wagon
Welcome.....Wagon!
