Anyday, your gonna to throw it all away
See you got it just throw away
Now here you wind
How its coming in from all sides
You got it coming
Riding in on you
This is what we should do

Lets go to boy island
Book a passage
For a few days in sun
Waiting and watching for girls to come

Waiting, watching

You know
You came up with it too long ago
See it happened
So long ago
How could you know

Lets go to boy island
Book a passage
For a few days in sun
Waiting and watch for girls to come

Waiting, watching
Waiting, watching for girls to come
Waiting, watching

Everyday
You've got to throw it all away
See you got it, just throw it away
That's what i might say
Lets run to boy island
Book a passage
For a few days in sun
Waiting and watch for girls to come

Waiting, watching for girls to come
Waiting, watching

Just like mary waits in the sun
Just like mary waits in the sun

Waiting, watching for girls to come
Waiting, watching

Boy, oh boy...
