Coming home today,
A season spent away,
It is hard for me to see,
Hard for me to say.
I like your face,
But i can't anymore.

It was quite a time
And i'm sure that i'm
Feeling very clear for me,
Very clear for you.
I like your face,
But i can't anymore.

Let's do it again.
I will recall
There are things
I could have done.
I will recall
There are things
I should have shown.

Did you find the time
To keep us both in mind?
Did you wander far from me,
Wander far from you?
I like your face,
But i can't anymore.

Let's do it again.
I will recall
There are things
I could have done.
I will recall
There are things
I should have shown.

To dream is not to say
I'll take it anyway,
A year is song enough for me,
Yet here we are today.

I like your face,
But i can't anymore.
