Spent time far away,  
Spent your days lost in grey  
And wishes i suppose  
Mean nothing when  
They're tossed away.  
And your form and your face,  
Like some place that i knew  
Still return to me now.

Oh well, i suppose  
I've gone beyond  
Caring for those  
Who think like you.  
And yes, i suppose  
You were that way.  
And yes, i suppose  
I came to find...

All the way  
To boylan heights-  
How are you?  
All the way but not today  
They came looking for me.  
All the way down to the park  
And i never saw you there.
