Inside my head i hurt a lot  
'cause i'm thinking about me  
And what i did to you

I can't imagine what i have lost  
I'm not bold enough to be  
Man enough for you

Chorus:  
There's no way to save  
The dream that's dead  
The water has passed beneath us  
On a bridge reaching down fro you.

Would you have been a movie star  
Or would you have been like me  
Nothing but a fool

I can cry and hide and pray a lot  
But there's nothing i can do  
To save the dream for me

(repeat chorus)

(repeat first verse)

My home is just not big enough  
To start a life for three  
But i wish i could for you
