Verse 1:]

Whenever you go away from me

Go out with your friends I see that there's something in  
your eyes

And it looks just like a lie

Didn't I give you what you want?

Didn't I give it all to you?

Why is everything you do a little bit untrue?

[Bridge:]

And everytime

You act wrong

I go away from you just a little more

[Chorus:]

Every little thing I take from you

Every little thing you say or do

Adds another stone to the wall I'm building

It's there you know it's true

Every little thing I feel inside

I don't wanna talk about my own pride

Adds another stone to the wall I'm building

And you should know it's true

[Verse 2:]

You can do just what you like

As long as you know deep inside

That I'm the only one for you

Don't you act just like you do

Didn't I make you feel so good?

Didn't I treat you like I should?

So why is everything I know that the way you act's not  
true?

[Bridge]

[Chorus 3X]
