Intro:

Come on, you say you love me

I make you believe that it's love

you receive

Like a thief

I just take what I need

And when we're going tonight

Verse 1:

Just an ordinary evening

I heard voices from the ceiling

And I really was believing

It was my mind playing tricks on me

Went upstairs just for receiving

Something told me you were leaving

So i looked out of my window

Just to see you there coming straight

back to me

Chorus:

Do it, baby, do it

On the beach

Do it, baby, do it

Down on the street

Do it, baby, do it

You and me

We're gonna do what they call the

French Kissing

Give it, baby, give it

In the car

Take it, baby, take it

Wherever you are

Give it, baby, give it

Go too far

We're gonna do what they call the

French kissing

(c'mon)

Verse 2:

All the people try to reach us

All the preachers try to teach us

They will never find the features

That make our love live eternally

You and me we live forever

Breakin' rules but stay together

So i miss your kiss and tell you this

Chorus:

Do it, baby, do it

On the beach

Do it, baby, do it

Down on the street

Do it, baby, do it

You and me

We're gonna do what they call the

French Kissing

Give it, baby, give it

In the car

Take it, baby, take it

Wherever you are

Give it, baby, give it

Go too far

We're gonna do what they call the

French kissing

Rap:

Romeo, lover, got up and kissed her

His Juliet girlfriend started to whisper:

According to Cesar and to Cleopatra,

I say the top of the pop is French kissing!

Like Eve and Adam, seduction led' em

And when they went to get down

They found their way to heaven

Do you want me to stop ? (no)

We're gonna do the French Kissing

Chorus:

Do it, baby, do it

On the beach

Do it, baby, do it

Down on the street

Do it, baby, do it

You and me

We're gonna do what they call the

French Kissing

Give it, baby, give it

In the car

Take it, baby, take it

Wherever you are

Give it, baby, give it

Go too far

We're gonna do what they call the

French kissing

C-part:

You just wanna feel

Dup Dup part

Chorus:

Do it, baby, do it

On the beach

Do it, baby, do it

Down on the street

Do it, baby, do it

You and me

We're gonna do what they call the

French Kissing

Give it, baby, give it

In the car

Take it, baby, take it

Wherever you are

Give it, baby, give it

Go too far

We're gonna do what they call the

French kissing
