For so many years we were friends
and yes I always knew what we could do
but so many tears in the rain
felt the night you said
that love had come to you
I thought you were not my kind
I thought that I could never feel for you
the passion and love you were feeling
and so you left for someone new
and now that you're far and away
I'm sending a letter today
From charmaine with love
she'd got the lover she is dreaming of
she never found the words to say
but I know that today
she's gonna send her letter to you
From Sarah with love
she took you picture to the stars above
and they told her it is true
she could dare to fall in love with you
so don't make her blue when she writes to you

from charmaine with love

So maybe the chance for romance

is like a train to catch before it's gone

and i'll keep on waiting and dreaming

you're strong enough to understand

as long as you're so far away

I'm sending a letter each day

From charmaine with love

she'd got the lover she is dreaming of

she never found the words to say

but I know that today

she's gonna send her letter to you

From charmaine with love

she took you picture to the stars above

and they told her it is true

she could dare to fall in love with you

so don't make her blue when she writes to you

from charmaine with love

From charmaine with love

she'd got the lover she is dreaming of

She never found the words to say

but I know that today

she's gonna send her letter to you

From charmaine with love

she's gotta know what you are thinking of

'cause every little now and then
and again and again
I know her heart cries out for you
From charmaine with love
she's got the lover she is dreaming of
never found - words to say, ahh
but today, but today
From charmaine with love
she took youÂ´re picture to the stars above
and they told her it is true
she could dare to fall in love with you
so don't make her blue when she writes to you
from charmaine with love
So don't make me blue
when I write to you
from charmaine with love
