Chorus:

If you were my man - I could be your fantasy

(and) If you were my man - I'd give you sweet ecstasy

(yes) If you were my man - What I'd do

If you were my man - If you were my man

Boy I see you lookin' at my body

With that look in your eyes

And even though you're standing with your girl -

You've got me on your mind

If we spent one night - boy I'd love to touch your heaven

And do you right - just sit back enjoy the ride

Baby close your eyes - there's so many things that I  
want to do

Baby with you - oooh baby baby

Chorus

Verse 2:

I'm not into stealin' other lovers

But we both know this game

And lookin' at the way you want me baby

I know you feel the same oooh baby
