What ever happend to our lovescene?
Something that we may never know
The touch of your tender hands
That once curess my soul
But I never thought
One day youÃ,'d have to go

Chorus:

IÃ,'ll will always find you in my heart
No matter if youÃ,'re near or if youÃ,'re far
I just have to close my eyes
Just make a wish
IÃ,'ll see you there
And all my dreams come true
(Whenever youÃ,'re not right here by my side)
Then I know forever youÃ,'ll be mine
No matter if were close or far
IÃ,'ll find you in my heart

Walking alone
I hear your footsteps
Lying alone
I feel your breath
(Lying alone
I feel your breath)
Ooh
Wish I could turn back time to
When love was ooh so new
And I realize
I miss the time with you

Chorus

IÃ,'m not gonna let this pain displace me
IÃ,'ll do everything IÃ,'ve got to do
To hold you near
And find you in my heart
I never believed that friends and lovers
Could simply walk away
So I ask of you
If love was true

Why couldn't you just stay

Chorus
