With my girl Sarah  
Brand new diva (westside)

Put your hands together

Let's get back to bed - boy (yeah)  
Let's get back to bed - boy (give it up)

Now the time has coming that I'm telling  
It's definitely you that I'm wanting  
Boom, boom, boom I hear you knocking  
Everytime you leave I start crying (don't cry)  
Kiss me on the left, kiss me on the right  
Whit you're uh uh, boy, you make me happy all night  
Boom, boom, boom my heart's going  
All I wanna do is stay in bed with you

Hey yeah, get down  
Cause all you're gonna give you'll get back from me  
(you get back to me)  
Hey yeah, get down (we had planned baby, let's get  
back into bed baby)

Chorus:  
Monday until Sunday we take for the fourplay  
Let's get back to bed - boy (come on)  
Let's get back to bed - boy  
April 'til November I will kiss you tender  
Let's get back to bed - boy (come on)  
Let's get back to bed - boy  
Morning until evening you should not be leaving  
Let's get back to bed, right now (yeah, ha ha that's  
right)

Now you understand how I'm feeling (yeah)  
It's definitely love that I'm needing (that's right)  
Boom, boom, boom my heart's beating  
We better stay in bed (look here)

I know what you can do

TQ:

You say you wanna go to bed baby (you shut your mouth)

Well, I'd happily oblige

We'd go for a ride, but now I'm back inside

Droptop Benz with hot boys on the side (that's right)

Pull up to the dough we drove for you and I

Miss Sarah, I wanna wear you like a Gucci sweater

To get you all alone in a thong I'd do whatever

Get me a bottle of Dom, I do it better

Wake up in the morning, baby, stuck together you and I

Hey yeah, get down (get down)

Cause all you're gonna give you'll get back from me  
(you're getting back from me)

Hey yeah, get down (no more plan baby, let's get back  
into bed baby)

Monday until Sunday we take for the fourplay

Let's get back to bed - boy (come on)

Let's get back to bed - boy

April 'til November I will kiss you tender

Let's get back to bed - boy (come on)

Let's get back to bed - boy (yeah)

Morning until evening you should not be leaving

Let's get back to bed - boy (come on)

Let's get back to bed - boy

I'm not your sister, you're not my brother

There are so many things that we should discover  
(you're damn right)

So let's get it on, get it on with eachother (yeah come  
on, give it to me baby)

Nananana....

Chorus

Yeah, that's right

Brand new diva, Sarah

And your boy TQ

Westcoast for life
