Verse 1:]

Each and every day

Each and every single day

People wanna tell me what to do

But I don't really care

I do never really care

'Cause I'm looking out for something new

[Bridge:]

And I know you know

All we're gonna do

Is we're making our dream come true

And I know you know

All we're gonna do

Is we're living our lives the way we want to

[Chorus:]

When do we get undressed

I don't wanna wait, baby, let's get started

When do we get undressed

Boy, I wanna know when the time is right to do it

When do we get undressed

I don't wanna wait, baby, let's get started

When do we get undressed

Boy, I wanna know when the time is right let's do it

[Verse 2:]

Pretty-like-a-pearl

Do you wanna see my world?

I do everything I wanna do

And when you're going there

Then you better be aware

I know I'm looking like your dream come true

[Bridge:]

And I know you know

All we're gonna do

Is keep on bouncing around forever

And I know you know

All we're gonna do

Is not wasting our time it's now or never

[Chorus]

Do it to me, give it to me

[Chorus 3X]
