[Verse 1:]

No matter how hard I try  
A love like that keeps pushing me inside  
But after all is said and done  
You're gonna be the only one  
I wish that you were near me now  
And get tangled heart to heart  
I never felt a love like this before  
You're the one I adore

[Chorus:]

Boy come to me cause love won't wait  
Make up your mind, babe it's not too late  
Boy I can feel there's love around  
Uuhhh baby  
Treat me like a lover  
Sweet words of love I gave to you  
Let yourself go, cause I'm feelin' blue  
In my mind, you were always near  
Uuhhh baby  
Where do we go from here

[Verse 2:]

So tell me now can there ever be  
Anyone else for you but me  
No other love can take your place  
Or match the beauty of your face  
I need to hold U in my arms  
I got that lonely feeling again  
You trapped me in, don't wanna waste my time  
Please help me to ease my mind

[Chorus:]

Just like a planet needs water  
Love needs a heart to survive  
I hope that sooner or later  
You'll realize...

[Chorus]
