Dance Classics The Summermix by Ben Liebrand

Turn up the music

Check one

Grab your ears

Get busy

I feel so good

Like a lover should

You set my soul on fire (Come on)

You get me goin'

Go on and on

See the flames go higher (Give me a break)

We've got it made

Don't let it fade

Keep it groovin' on

On, on and on

Oooh!

Ooohooooo (Music make you loose control)

Music make you loose control

We got the funk (You got it)

We got the funk, yeah

We got the funk

We got the funk, yeah

We got the funk (You got it)

We got the funk, yeah

We got the funk

We got the funk, yeah

Martin got the funk (He's got it)

He's got the funk, yeah

Bernard's got the funk (He's got it)

He's got the funk, yeah

Skippy's got the funk (He's got it)

He's got the funk, yeah

Bert's got the funk (He's got it)
He's got the funk, yeah

See, to be a DJ you gotta do your best
Have you're own kinda style, not like the rest
No jumpin' up and down, bendin' with your feet
'Cause the music that you play has to be your own beat
So to those DJ's that think you're the greatest
Just stop, look and listen 'cause you haven't heard the
lastest

(Come on) Come to my island, just you and me, yeah
(Come on) Come to my island where we'll be free
(Come on) Come to my island, just you and me, well,
yeah
(Come on) Come to my island where we'll be free

Get down (Get down)
Yeah, let's get on down
Get down (Get down)

Are you ready to kick some ass?
Now dance!
Do it, do it

Ah, let's do it (Do it)
Let's dance (Dance)
Let's dance across the floor
Yeah, let's do it (Do it)
Let's dance (Dance)
Let's do it some more

Ah, let's do it (Do it)
Let's dance (Dance)
Let's dance across the floor
Yeah, let's do it (Do it)
Let's dance (Dance)
Let's do it some more

With your baby
All night long (Funk it up)
Doin' the boogie to a funky song (Rock ya, rock ya)
Havin' a good time doin' it all (Funk it up!)
Gettin' happy havin' a ball, y'all

Ah, let's do it (Do it)
Let's dance (Dance)
Let's dance across the floor
Yeah, let's do it (Do it)
Let's dance (Dance)
Let's do it some more

Yeah, let's do it (Do it)
Let's dance (Dance)
Let's dance across the floor
Yeah, let's do it (Do it)
Let's dance (Dance)
Let's do it some more

Get down
Funk it up
Rock ya, rock ya
Funk it up

Get down
