

40 Days "Change In Me"

Visit "[Change In Me](#)" on MotoLyrics.com

I am here
Your presence all around

Here to share
The goodness I have found

Oh great God
I have all I need
Thank you for the life youve placed inside of me

I am created
I am unique
I am here to serve you
Maker of all things
Every part of me
Will be an offering
Causing a reaction
All will see

Every element
Will be your evidence
Living with your passion
The change in me

One by one
Every little thing
Will live on to glorify the King
