[Intro: Consequence] Yo this is Consequence. From the mighty Con Man Clique and I'm runnin' with my man Kanye West And when I ain't got a pretty hoe transporting a boy and a girl to the states I'm either on the 1-9-2 or out in the Chi. So we gonna up yo on how we chill. Uh [Verse One: Kanye West] It cost Kobe seven digits to pay off Bridgett And get acquitted and break that bitch off, cause he ain't did it Here go the Henny swig it You know it's frigid I got 'em chillin' in the cooler Break out the ruler Damn Them the biggest tits I ever seen We smokin' killer Cali gettin' weeded Make it feel like Maui Now we feel the good vibrations So many B.I.s, so much inspiration [Consequence] I get inspired by the stunts to I've run through So many bitches in one crew That now they riff over bones to pick Till I find one It's live one Take her home and quickly do this I need not explain this Cause Quence is famous for totin' stainless [Kanye West] Hey miss Who's there? No time to do hair I'm through here The show tonight So get right You look aight Let's club now A rub down Starts flavor while we grind in the theater I'm tryin' to cut in the movies I'm tryin' to give her something else to drink besides a smoothie [Consequence] Kids get broke when I take bank and win With the gold chains, I throw game at your bitch like handball Cause your boys all that So fall back I be that real for '03 till Chorus: [x4] [Kanye West] This is how we chill from '03 until [Consequence] This is how we chill for '03 till [Verse Two: Consequence] My mack game does me well And makes them hoes want to go and kiss and tell All of Quence's business I cause dizziness Any time I got to go and slap a silly trick [Kanye West] Niggas is jealous cause we in drops The cops wanna stop us about every four blocks Cause what we smokin' them sacks got no seeds And what they got in they pockets is no cheese [Consequence] When I'm postin' you better tell them hot heads, "Stay cool" Or exit because I'm the exception to the rule I'm reppin' to the dudes blocks with two glocks To bury ya When they tear they ain't jammin' Them cannons will make you drop So I'm doin' tons of indo, showin' off for hoes Basically My ace has

been Makin' them sick tracks while I was shootin'
 pornos with your wisdom [Kanye West] Now bring some
 more stacks Before you ask About the price of the
 tracks The game on smash Look Don't change the facts
 about these plaques Because in fact My freestyle hours
 over powers Brothers can't hack it Sensitive to truth
 and mack bitch '03 me, Quence and Plain Pat bitch
 [Chorus]
