#### 1.Strophe

We all know that beer is fine  
We gonna drink it till the end of the line  
I don't like Wodka I don't like Gin  
I'm just greedy to this beer in a tin  
And all the ugly girls in my neighborhood,  
My beloved beer made them looking good!  
Ugly faces are getting fine  
When I hau me a beer rein.

#### Refrain

BEER IS TOO EXPENSIVE  
BEER IS TOO EXPENSIVE  
BEER IS TOO EXPENSIVE  
SO GIVE US CHEAP BEER

#### 2.Strophe

My pocket-money is 100 bucks  
Don't have more, working sucks  
I am the one who made Trinkgut rich  
But that also wasn't the solution of my hitch  
THEY HAVE cheap beer, it's from Paderborn  
But it sucks like music from Korn!  
But even Korn gets better when  
I drink my little beer again.
