Sit around and lose myself, again  
Never thought I'd wait to realize  
I can't hold on to what you see  
And I can't move when you're down on your scene

Our mistake  
Its all I remember  
Trying to hold on to all of my ways

Chorus  
So save me, in my life  
Just hold on  
How could you realize  
You save me, in my life  
Just hold on you got to realize

Good bye.

Sit around and find myself again  
Never thought I'd wait to justify  
I can't hold on  
To what you see  
And I can't move when you're down on your scene

Chorus

Good bye.

Good bye.

Yeah.... Good bye.

So save me  
So save me, in my life  
Just hold on  
How could you realize  
You save me, in my life  
Just hold on  
How could you realize

Take me, I know  
You barely realize

Just hold on  
How could you realize  
So save me  
In my life  
Just hold on
