Place me under helpless
Something that I can't ignore
Break down - give in - find the place I need to be
Never be the same again to me
And it's been a waste of time to me
And it's been a waste of timeâ€¦!

Try to reach out of my grasp
Hard to find the words to tell you

In our way we've become our own slaves and
Never be the same again

{Chorus}

Because of You

I never wanted it to be the way it's been before
It'll never be the same and life doesn't change

And it's been a waste of time, to me
