Outside the rain begins and it may never end

So cry no more on the shore a dream

Will take us out to sea

Forever more forever more

Close your eyes and dream

And and you can be with me

'Neath the waves through the caves of hours

Long forgotten now

We're all alone we're all alone

Close the window calm the light

And it will be alright

No need to bother now

Let it out let it all begin

Learn how to pretend

Once a story's told

It can't help but grow old

Roses do lovers too

So cast your seasons to the wind

And hold me dear oh hold me dear

Close the window calm the light

And it will be alright

No need to bother now

Let it out let it all begin

All's forgotten now

We're all alone oh oh we're all alone

Close the window calm the light

And it will be alright

No need to bother now

Let it out let it all begin

All's forgotten now

We're all alone we're all alone

Let it out let it all begin

Owe it to the wind my love
