Lady?  
What is it?  
Now, give me some of that!  
Give you some of what?  
Now take your hand out that pot before I cut it off!  
Oh, give me a little of that!  
Ain't nothin' doin'!

Look here, darling,  
What is it?  
Don't be mean.  
I am mean.  
You're fixin' something I ain't never seen.  
What I'm seeing, you ain't seein'.  
I don't mean any harm,  
I'm hungry as a cat.  
Yeah?  
I want something to eat.  
What you think about that?  
Can I rest my hat?  
Yes, go ahead.  
Can I get some of that?  
I don't know about that, honey.

I heard you make the best jellyroll.  
Maybe I do.  
Would you give a piece to a poor old soul?  
I'm a beggin' man,  
I see you are!  
It's plain to see.  
Uh-huh!  
But you won't regret what you give to me!  
Just a piece of your jelly  
No, sir!  
To a poor old soul.

I'll cut your lawn  
Will ya?  
If that's what it needs!  
That's what it needs!  
And it won't be long,

My work is guaranteed!  
I ain't knockin' your man,  
No?  
No, no, no!  
But if he don't satisfy you, just let me know.  
I'll cut your lawn  
That's what it needs, baby!  
Till all the green is gone.

Now, look here, old man,  
Don't you talk so much!  
Huh?  
There's things 'round here  
That you can't touch.  
Uh-uh!  
Now if you can do everything that you say you can,  
You may be half as good as my other man.  
Now if you're able, sit down at that table,  
And I'll see about that!

I'm a good watch dog,  
Um-hm.  
And I never bark.  
No?  
I can
