i hold my head for a thousand years
living a lie is my worst fear
sit down for a while
then ill stand and walk a mile
just dont tell me cause i know
to be my friend is to be my foe
feet are scared and broken bare
they still bleed and no one cares

i walk away
so tell me if its ok
if you stay while i run away
just tell me its ok
to walk away
sit alone in a lake of fire
eyes are sleepy and i tire
give me peace so i can sleep
to give me a mind i can keep
in this life thats full of lies
my privacy is a 1000 eyes
hurt my heart with many tears
and say fuck you no one cares

i walk away
so tell me if its ok
if you stay while i run away
just tell me its ok
to walk away (x2)
