The friend I have is a passionate friend
But I can't see you buying
Love a dream of a love affair
That's, over, past & dying

Celebrate, the great escape
From lunacy divided
I cover you, of seeing you
But nobody decided

A sound that's drifting out from you
When the love has boiled away
Colour shaven years of things appears
A beating heart is not a cheating heart
Not a cheating heart, is still a beating heart
And leaving you today

My life see's me wandering
Lost in smiles forever
Erase my mind see what I find
Axes dream together

I've got all sweet secrets hidden in my bag
But a lot are leaving because their not believing
But you van never do that thing
You never bring yourself to sing

Bah bah bah bah bah

The friend I have is a passionate friend
But I can't see you buying
Love a dream of a love affair
That's, over, past & dying

Celebrate the great escape
Carry my soul away
From sufferance intolerance
Leaving you today

Bah bah bah bah bah
