When a star is falling
and the wind is calling
words I've never heard before and when
stormy weather, samst to last forever
and the ocean hit the shore
I believe - I believe in God
I believe - I believe in God
When our dreams are dying and when
heart are lying - i will still believe in love
when the tide is turning people keep onyearing for
someone who's strong enough I believe - I believe in
God

He will always love me
He will always care
He will always be
people they might leave you
I know he will not
that's why I believe in God

take away my sorrow
lead me to tomorrow
let a light shine through my soul
when I#m sag and lonely
I know he's the only one
yes I do - I do believe

He will always love me
He will always care
He will always be
people they might leave you
I know he will not
that's why I believe in God

He will always love me
He will always be
so I believe - believe In God
