Dark as roses, and fine as sand
I feel your healing in your sting again
I hear you laughing and my soul is saved
On forgotten graves you cry
Crawl like ivy up my spine
Through my nerves and into my eyes
Cuts like anguish
Or recollections of better days gone by
But it's alright
When you're all in pain
And you feel the rain come down
Oh, it's alright
When you find your way
Then you see it disappear
It's alright
Though your garden's grey
I know all your graces
Someday will flower
In the sweet sunshower
In the sweet sunshower
Eyes like oceans so far away

Feathered trails to a better way
Worried mornings turn into days
And into worried nights
But it's alright
When you're all in pain
And you feel the rain come down
Oh, it's alright
When you find your way
Then you see it disappear
It's alright
Though your garden's grey
I know all your graces
Someday will flower
In the sweet sunshower
In the sweet sunshower
In the sweet sunshower
I know all your graces
Someday will flower
In the sweet
In the sweet sunshower
And it's alright
All you feel you are today
Are today
It's alright
All you feel

Are today
