FBI got a file on me.
Too many cages in the land of the free.
Join us now as we make our plea.
Set all drug offenders free.
FBI got a file on you.
Think they don't but they goddamn do.
All seeing eye is watching you.
Everything you say, and everything you do.
FBI got a file on me another red man in a stolen
country.
And I don't give a fuck about the u.s.a.
Just give me back my tribal ways.
FBI got a file on you.
I don't think how they taught me to.
They rule by fear, I'm not afraid.
Just give me back my tribal ways.

FBI GOT A FILE ON ME
FBI got a file on me.
Cuz I speak of what I see.
Crimes against humanity.
The drug war fought upon the free.
FBI got a file on you.
Had one on John Lennon too
And don't forget PELTIER,
WHY IS HE NOT FREE TODAY?
FBI got a file on me,
too many cages in the land of the free,
join us now as we make our plea,
set all drug offenders free
FBI GOT A FILE ON ME
The war on drugs is a war on people...
It's a really sad state of affairs when a human being's
freedom
is treated as nothing more than an asset or liability.
Prisons are big business in this country.
The war on drugs is nothing more than a war on
people...
it's a bullshit war, it's a war over money!!!!

FBI got a file on me,

too many cages in the land of the free,
join us now as we make our plea,
set all drug offenders free.
FBI, CIA, IRS, DEA
Civil rights all gone away.
FBI got a file on me
Set all drug offenders free
