No escape from your fate
Destined to be mine
Every night I wait to see
In the night, watching
Stalking your every move
I know when you're alone
All alone
Tied tight to the bed
Legs spread open
Bruised flesh, lacerations
Skin stained with blood
I'm the only one you love
I feel her heart beating
My knife deep inside
Her crotch is bleeding
She liked the way it felt inside her
Fucking her, harder, harder
She liked the way it felt inside her
Fucking her, harder, harder
Stick it in
Rip the skin

Carve and twist

Torn flesh

From behind

I cut her crotch

In her ass

I stuck my cock

Killing as I cum
