Black forest of evil, a Demon's possession  
A beast in the wild with nocturnal dementia  
Unearthly revival of clandestine extinction  
Reborn creature...malicious being  
Resurgence of a gruesome species  
With carnal obsession, it lusts copulation  
Scent of fresh human blood invades its dominion  
Surrounded in darkness, she enters a realm of Hell  
Infernal quest from a savage of death...!  
Brutal attack, the innocent are unprotected  
Hellish fury, deviance provides conception  
Viscious onslaught, its primal lust instinctual  
Macabre fuckfest, inside her cunt, the brute's erection  
Raped by the beast...!  
Animalistic...pure hideous appearance  
Repulsive re-existence  
Bearer of morbidity  
Ritual, habitual  
Acrimonious,  
A relentless incursion  
The ravishing of virgins,

Inhumane debauchery

Black forest of evil, a Demon's possession

A beast in the wild with nocturnal dementia

Scent of fresh human blood invades its dominion

Surrounded in darkness, she enters the realm of Hell

The realm of Hell
