Why can't I breathe

Still I see

Dead on the table

Try to move, I'm not able to

They said I have died

I still feel alive

I won't believe their lies

I can still see through these

Eyes

Help me I'm not dead

Wake me from this hell

Tell me I'm alive

Dead

Knives cutting into me

Scalpels rip me

Screaming into deaf ears

Now they stop and see my tears

Help me I'm not dead

Wake me from this hell

Tell me I'm alive

Dead

I can't stop the visions
Stop the premonitions
Help me I'm not dead
Wake me from this hell
Tell me I'm alive
Dead
My soul can't escape
The boundary of my flesh
My heart does not beat
My spirit will not rest
They said I have died
I still feel alive
I won't believe their lies
I can still see through these
Eyes
