Sog'inchdan to'lib qalbim, surating yonida jim,  
To'kilar qayg'u yoshim, seni eslab doim.  
Sevgimiz og'ushida sevinchga to'lardi dil,  
Bu kunlar to'kilmazdek ko'rinardi menga

Jaranglaydi kulgularing nigohlaring ko'z o'nggimda,  
Sening ruhing yashar mangu baribir men uchun

Borsan, hayotimda borsan,  
Yuragimda doim sen yasharsan  
(x2)

Orzular bo'ldi yakson, afsuski endi yo'qsan,  
Sen ketding yorug' parloq shirin hayot uchun  
Bo'lsa ham dilda alam, dardimga bo'lar malham,  
Sevgilim sendan qolgan beg'ubor bordirim

Jaranglaydi kulgularing nigohlaring ko'z o'nggimda,  
Sening ruhing yashar mangu baribir men uchun

Borsan, hayotimda borsan,  
Yuragimda doim sen yasharsan  
(x2)

Borsan, hayotimda borsan,  
Yuragimda doim sen yasharsan  
(x4)
