Bright eyes, where do you wander on this dark night  
So long â€˜til dawn, no longer uptight  
No need to worry for a while

Angel eyes, why do you leave me when itâ€™s just  
right  
Always deceive me, then you're take flight  
No need to worry for a while

Same morning, pick up the pieces and then keep  
walking  
Away from your lies and all your sweet talking  
No need to worry for a while

Sometimes itâ€™s short and sometimes itâ€™s long  
Sometimes Iâ€™m right and sometimes wrong  
You can run into me, then youâ€™re running away  
And I hope that time can make the change  
Maybe happiness is just another fairytale

Bright eyes, hard to remember when we first met  
Now youâ€™re my sunrise and my sunset  
Always deceive me with a smile  
Still learning, by the crazy world that keeps turning  
And a crimson sun that keeps burning  
And itâ€™s burning all the time

Sometimes itâ€™s short and sometimes itâ€™s long  
Sometimes Iâ€™m right and sometimes wrong  
You can run into me, then youâ€™re running away  
And I hope that time can make the change  
Maybe happiness is just another fairytale  
Itâ€™s just another fairytale

Baby, youâ€™re running  
Baby, youâ€™re running  
Baby, youâ€™re running away  
Yeah, baby, youâ€™re running  
Baby, youâ€™re running  
Baby, youâ€™re running

Sometimes it's short and sometimes it's long  
Sometimes it's right and sometimes it's wrong,  
yeah  
Baby, you're running  
Maybe happiness is just another fairytale

Bright eyes, where do you wander on this dark night  
So long 'til dawn, no longer uptight  
No need to worry for a while
