"Wake Up"

I don't want to lose it all
I don't want to miss my call
I don't want to stay asleep
When there's so much to see
When I hear You calling out my name

I just want to wake up
I feel it for the first time
Now I know there's new life flowing through my veins
I can't stop this
Your life is causing me to love mine
Now I know that it's time to wake up
Because my dream's found with You

Darkness no longer binds
I'm going to let it shine
This life is Your design
I'm gonna come alive
Now I hear You calling out my name

We've been asleep for far too long
This is our wake up song
We will stand tall and strong for all the world to see

Whoa, Whoa, Whoa, Whoa
