Everyone can see  
There's a change in me  
They all say I'm not the same  
kid I use to be  
Don't go out and play  
I just dream all day  
They don't know what's wrong with me  
And I'm too shy to say

Reff: It's my first love  
What I'm dreaming on  
When I go to bed  
When I lay my head above my pillow  
Don't know what to do  
My first love

He things that I'm too young  
He doesn't even know  
Wish that I could tell him what I'm feeling  
'cause I'm feeling my first love

Mirror on the wall  
Does he care at all  
Does he ever notice me  
Does he ever found

Tell me teddy bear  
My love is so unfair  
Will I ever found a way  
An answer to my pray  
For my first love
