Everyone can see
There's a change in me
They all say I'm not the same
kid I use to be
Don't go out and play
I just dream all day
They don't know what's wrong with me
And I'm too shy to say
Reff: It's my first love
What I'm dreaming on
When I go to bed
When I lay my head above my pillow
Don't know what to do
My first love
He things that I'm too young
He doesn't even know
Wish that I could tell him what I'm feeling
'cause I'm feeling my first love
Miror on the wall
Does he care at all
Does he ever notice me

Does he ever found

Tell me teddy bear

My love is so unfair

Will I ever found a way

An answer to my pray

For my first love
