mother, father, I'm here in the zoo  
I can't come home, cause I've grown up too soon  
I got my sentence, I got my command  
they said they'd make me major if I beat off any man

I could be a corporal into corporal punishment  
or the general manager of a large establishment  
they pat some goodbyes on the back and put some to  
the rod  
but I never thought they'd put me in the goon squad  
they've come to look you over and they're giving you  
the eye  
goon squad  
the ones you took home or out to play better say  
goodbye

some grow up just like their dads  
some grow up too tall  
some go drinking with the lads  
some don't grow up at all  
you must learn the proper place for everything you see  
but you'll never get to make a lampshade out of me

I could join a chain of mail, be the invisible link  
go looking for a lucky girl to put me in the pink  
they pat some goodbyes on the back and put some to  
the rod  
but I never thought they'd put me in the goon squad  
they come to look you over and they're giving you the  
eye  
goon squad  
they want you to come out to play  
you'd better say goodbye

mother, father, I'm doing so well  
I'm making such progress now that you can hardly tell  
I put in a little dedication with one eye on the clock  
they caught you on the medication  
you could be in for a shock  
thinking of the alibis that everyone's forgotten  
just another mummy's boy gone to rotten

they pat some goodbyes on the back and put some to  
the rod  
but I never thought they'd put me in the goon squad  
they come to look you over and they're giving you the  
eye  
goon squad  
they want you to come out to play  
you'd better say goodbye
