You're upstairs with the boyfriend while I'm left here to listen. (Angry)
I hear you calling his name, I hear the stutter of ignition. (Angry)
I could hear you whispering as I crept by your door.
So you found some other joker who could please you more.

Chorus:

I'm not angry, (Angry)
I'm not angry anymore. (Angry)
I'm not angry, (Angry)
I'm not angry anymore. (Angry)
Ooh, I know what you're doin'.
I know where you've been.
I know where, but I don't care,
'Cause there's a-no such thing as an original sin.

I've got this camera click, click, clickin' in my head.
(Angry)
I got you talking with your hands, got you smiling with your legs. (Angry)
Spent all my time in a vanity factory,
Wonderin' when they're gonna come and take it all back.

-chorus-

Yeah, yeah.
Oh there's no such thing as an original sin.
Oh there's a-no such thing as an original sin. (Angry)
I'm not angry, (Angry)
I'm not angry anymore. (Angry)
I'm not angry, (Angry)
I'm not angry anymore. (Angry)
I'm not angry, (Angry)
I'm not angry, (Angry)
I'm not angry anymore. (Angry) (repeat and fade)
