So you're tryin' to make connections  
You heard whispers in the hall  
She'll be out again this evening  
When you come around to call

So you dodge the lady killer  
Who came creapin' 'cross the floor  
Then you're caught up in a whirlwind  
You got blown right out the door

Ah yes, it was a whirlwind  
Sweet romance was on your side  
Er, if you wanna dance on my face  
You must tell me why yer lied

Chorus:  
Imagination is a powerful deceiver  
When you try to believe her just a little too much  
Imagination is a powerful deceiver  
I'll go out of my mind if I'm losing your touch

I see the look of recognition  
So well hidden in your eye  
And your peep-show regulations  
That just don't seem to apply

Did I see yer in the circus  
In the ring without a hand  
Now you think that you can curse us  
Steal the show and stop the band

Ah, you can follow your dream  
Oh but please don't lead me on  
Er, if you wanna bleed? in my face  
Er, you were here and now you're gone

-chorus-

I'll go out of my mind if I'm losing your touch (repeat  
x3)
