Romeo was restless, he was ready to kill.
He jumped out the window 'cause he couldn't sit still.
'N' to Juliet was waiting with a safety net.
He said "Don't bury me 'cause I'm not dead yet".

Chorus:

Why don't you tell me about the mystery dance 'n'
I wanna know about the mystery dance 'n'
Why don't you show me,
'Cause I've tried and I've tried and I'm still mystified.
I can't do it anymore and I'm not satisfied.

Well I remember when the lights went out
And I was tryin' to make it look like it was never in
doubt.
She thought that I knew, and I thought that she knew,
So both of us were willing, but we didn't know how to do
it.

-chorus-

Now I was standing under the covers in the middle of
the night,
Tryin' to discover my left foot from my right.
You can see those pictures in any magazine.
But what's the use of looking when you don't know what
they mean.

-chorus-

I'm gonna walk right up to heaven dodgin' lightning
and rods
I'm gonna have this very personal conversation with
God
I'll say "You got the information why don't you say so"
He'll say "Well I been around and I still don't know"

-chorus-

I can't do it anymore and I'm not satisfied. (repeat x2)
