I don't wanna kiss you. I don't wanna touch.  
I don't wanna see you 'cause I don't miss you that much.

I'm not a telephone junkie.  
I told you that we were just good friends.  
But when I hold you like I hold that bakelite in my hands,

there's no action,  
there's no action,  
there's no action.  
Ev'ry time I phone you, I just wanna put you down.

He's got the keys to the car.  
They are the keys to the kingdom.  
He's got ev'rything you need.  
It's a shame that he didn't bring them.  
I'm not a telephone junkie.  
If I'm inserting my coin I'm doing just fine.  
And the things in my head start hurtin' my mind.  
And I think about the way things used to be,  
knowing you with him is driving me crazy.  
Sometimes I phone you when I know you're not lonely,  
but I always disconnect it in time.
