don't start me talking
I could talk all night
my mind goes sleepwalking
while I'm putting the world to right
called careers information
have you got yourself an occupation

CHORUS:

oliver's army is here to stay
oliver's army are on their way
and I would rather be anywhere else
but here today

there was a checkpoint charlie
he didn't crack a smile
but it's no laughing party
when you've been on the murder mile
only takes one itchy trigger
one more widow, one less white nigger

chorus

hong kong is up for grabs
london is full of arabas
we could be in palestine
overrun by a chinese line
with the boys from the mersey and the thames and the
tyne
but there's no danger
it's a professional career
though it could be arranged
with just a word in mr. Churchill's ear
if you're out of luck you're out of work
we could send you to johannesburg

oliver's army is here to stay
oliver's army are on their way
and I would rather be anywhere else
but here today
and I would rather be anywhere else
but here today

and I would rather be anywhere else but here today
